Sources of codes:

- International Classification of Diseases, 2020, (ICD-10-CM). National Center for Health Statistics (NCHS).
- Current Procedural Terminology (CPT), 2020, American Medical Association (AMA).
- Current Dental Terminology (CDT), 2020 – Dental Procedure Codes. American Dental Association (ADA).

Note: "X" in a code denotes any number including the absence of a number in that place.

Dashes (–) in a code indicate that additional characters are required.

ICD-10-CM codes all have at least four digits. These codes are not intended to reflect whether or not a code is billable. Instead, they are used to point out that other codes in the series are to be considered.
