- Website – www.covermt.org

This work is supported by the Centers for Medicare and Medicaid Services (CMS) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$1.25M with 100 percent funded by CMS/HHS. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by CMS/HHS, or the U.S. Government.

Outreach and Enrollment Changes

Montana DPHHS 1115 Waiver

1115 Highlights

Non-exempt 19–64-year-olds up to 138% of FPL (Adult Medicaid), 80 hours per month

- Standard exemptions, short-term, good cause exemptions available

Community Engagement – must show 30 days prior to enrollment or exemption

- Community service and volunteering
- Work, training, internships, etc.
- Education and vocational programs

Cost-sharing requirements – disenrolled after 90 days of failure to pay premium (with exceptions)

- Premiums (2% of aggregate hh income, increasing by 0.5% each year up to 4%)
- Copayments included in HR1

Marketplace Integrity Rule

Final rule released on June 20th

CMS hosted a stakeholder webinar on June 30th, webinar recording and slides available in REGTAP

Includes:

- OEP changes to November 1 – December 15 for **PY2027**, not PY2026
- Removes 150% of FPL SEP and requires additional documentation and advanced verifications for some other SEPs
- Changes rules on past-due premium payments, failure to reconcile APTC, and de minimus thresholds
- Implements \$5 premiums for auto-enrolled consumers paying \$0 with APTC for their monthly premium until applications are updated
- Changes allowable EHB services and immigrant/non-USC access to coverage

HR1 (Reconciliation/BBB)

Codifies many of the Marketplace Integrity Rule provisions into law

Medicaid:

- Work requirements
- Delays implementation of CMS rule process simplifications and improvements until 2035
- More frequent redeterminations
- Cost sharing requirements

Marketplace:

- Removes repayment caps for APTC
- Ends silver-loading
- Requires pre-enrollment verification
- **Does not extend enhanced APTC**

Changes Coming to ACA Marketplace Policies

Tuesday, July 29th | 2 pm ET (11am PT)

This webinar will review recent changes in ACA marketplace eligibility and enrollment policy as a result of the new marketplace program integrity regulation finalized in late June and the budget reconciliation law enacted in early July. A recording of the webinar and the slides will be available on our website soon after the webinar takes place.

Outreach and Enrollment Changes

Cover Montana Navigator Program

Trump Shrinks Funds for Navigators Who Help Americans Enroll in Obamacare

A record number of people have enrolled in health insurance plans through the Affordable Care Act marketplaces in recent years. Navigators help pick appropriate plans for enrollees.

Program Changes

Navigators **employed through end of August**

Starting September 1st, only phone and virtual assistance available through MPCA's website (appointments) and the help-line (real time enrollment assistance)

Cover Montana no longer has the capacity to help with Montanan Medicaid applications or case troubleshooting (limited capacity for complex case assistance)

Montana Primary Care Association

What Cover MT can continue to do:

Marketplace enrollment (but we'll be limited)

Track changes to outreach and enrollment

Provide monthly Cover Montana webinars and the Cover Montana Virtual Summit

Training and technical assistance to our partners who are screening, referring, and providing enrollment assistance (for Medicaid and the Marketplace)

Limited media capacity to share public information about changes to outreach and enrollment

CAC Training & Licensing

CDO/CAC Certification Timeline:

Organizations should sign up to become a CDO before September 2025

The CDO assigns a CAC number that is used to complete the federal training.

Individuals complete the CAC training after the new training is released in September 2025

Once you complete your federal requirement, you apply for a Montana license for a nominal fee through the Commissioner of Securities and Insurance.

Find Local Help

Three simple ways to find local help

1. Enter your zip code and find local help!

Just type your zip code into the locator below and find enrollment assisters who can help you enroll in insurance through the Health Insurance Marketplace, Montana Medicaid, or Healthy Montana Kids. Their help is always free and confidential – and they will provide as much or as little help as you need.

Troubleshooting & FAQs

If you encounter issues with your SSP account creation, login, or verification process, you can get help by contacting hhsspapplicationcustomersupport@mt.gov.

Okta account creation instructions can be found online [here](#).

You can find step-by-step instructions for navigating the different functions of the SSP by clicking the "help" button on apply.mt.gov.

If your browser closes or times out in your SSP account, you may have to login again. Return to apply.mt.gov and sign in to your account again. Your progress on an application should be saved.

If you created an online account for Medicaid before DPHHS transitioned to using Okta, you may need to create a new account.

If you are accessing the SSP on your mobile device, scroll to the bottom of the page to click on "Desktop Version" to access the login features.

Table of Contents

Account Creation	Ordering Medicaid Cards	Renewing Benefits
Linking Your Case	My Benefits	Adding or Removing Covered Household Members
Managing Notifications	Updating Contact Information	Verification and Document Upload
Viewing Mail	Preparing for Annual Renewal	Requesting Benefit Closure
Authorized Representatives	Reporting Changes	

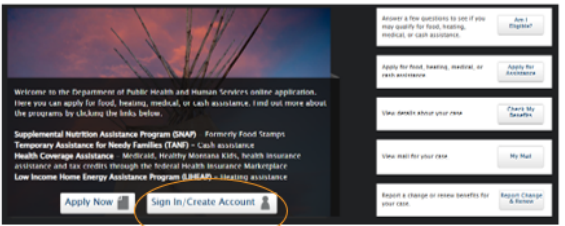

Account Creation

To create an SSP account, you must have an active email address with current access to complete verification.

Montana DPHHS uses a multi-factor authentication system called Okta that manages login information for the SSP.

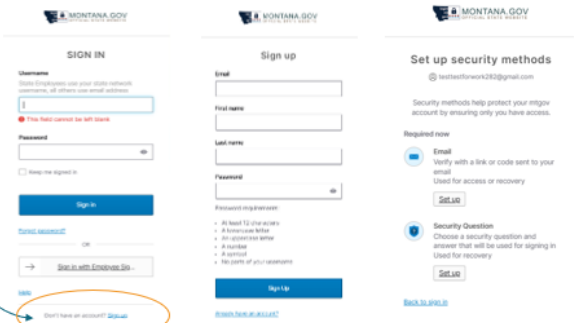

Account creation instructions from DPHHS can be found online [here](#).

Click "Sign In/Create Account".

Click "Don't have an account? Sign up".

Enter Name, email address, and password that meets the requirements. **Email addresses can only be used to create one account on the SSP. If you have already used the email address entered, you will have to use a new email address or reset your password on your existing account.**
