A Collaborative Approach to Improving Outcomes

# MPCA

- The **Mission** of the Montana Primary Care Association is to promote integrated primary healthcare to achieve health and well-being for Montana's most vulnerable populations.
- The **Vision** of MPCA is health equity for all Montanans.
- MPCA values integrity, collaborations, and innovation.
- The Montana Primary Care Association is the support organization for Montana's 14 Community Health Centers and 4 of our Urban Indian Health Centers. MPCA centers serve over 117,500 patients across Montana.

A Collaborative Approach to Improving Outcomes

# Zoom tips and tricks!

**CHAT:** Please jump in if you have something to share, but we also have this nifty chat function.

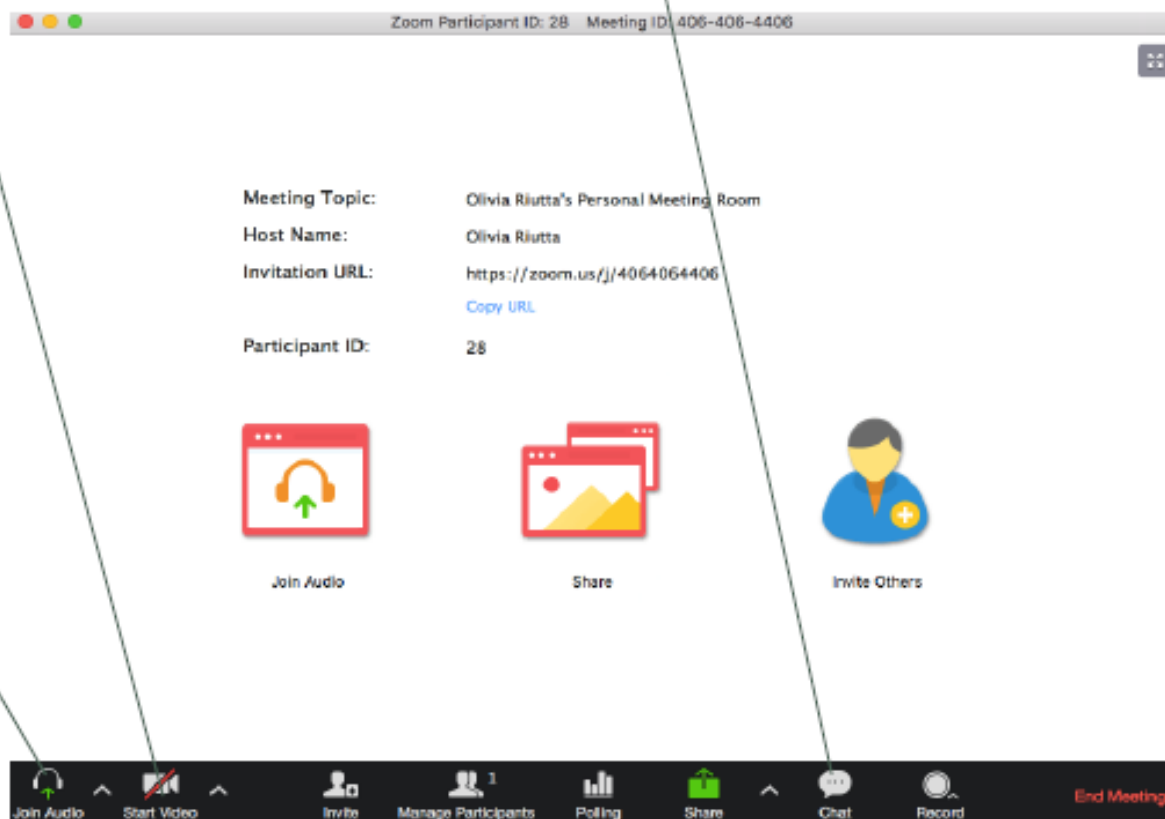

**VIDEO:** We want to see you!  
If your camera isn't on, start your video by clicking here.

**ATTENDANCE:** If there are multiple attendees together on the call, please list the names and your location in the chat box

**AUDIO:** You can use your computer speakers or your phone for audio. The phone is generally better quality. If you click "Join Audio," this "Choose one..." box will pop up. If you dial in, just make sure you include your audio code.

**MUTE/UNMUTE:** \*6 or click the mic on the bottom left of your screen.

# Agenda

- Welcome
- Data highlights
- Housekeeping/ Updates

A Collaborative Approach to Improving Outcomes

Share  
Your  
Thoughts!

**DEADLINE:  
WEDNESDAY, JANUARY 18**

MPCA and Community Health Association of Mountain/Plains States (CHAMPS) request your input each year on an Annual Needs Assessment.

**TOMORROW - WEDNESDAY, JANUARY 18  
- IS THE LAST DAY TO COMPLETE THE  
ASSESSMENT.**

Start the survey [here](#).

Your responses will allow us to develop new and innovative trainings and technical assistance (T/TA) to support your health center this upcoming year.

**As an added bonus, you will have the option of being entered into a drawing for one of several Amazon.com gift certificates.**
