

Training Opportunity

Positive Approach to Care: Dementia Training for Families and Professional Caregivers

Thursday, October 8, 2020

RiverStone Health

Lil Anderson Center – Big Horn, Stillwater & Yellowstone conference rooms

1:00pm — 5:00pm; Arrive by 12:30pm for check-in

Cost: \$10 (credit card or check prior to workshop)

Continuing Education Units (4 CEUs) available

Registration Deadline: October 5, 2020; 5pm

The Montana Geriatric Education Center is approved as a provider of nursing continuing professional development by the Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation.

Linda Roers, MBA, PAC, CDP, CADDCT, is a Geriatric Educator with the Montana Family Medicine Residency Program at RiverStone Health who is a Certified Positive Approach to Care Trainer.

What you'll learn

During the 4-hour training you'll learn to:

- Understand the way dementia patients process information
- Practice the Positive Physical Approach to Care
- Practice handling challenging situations
- Learn about the typical progression and stages of dementia
- Understand how certain practical behaviors will help you communicate respectfully and effectively with people with dementia.
